

TEMA – wonderfully warm, straight from the start.

THE NEW WOODBURNING STOVE PRESENTED BY RIKA!

(01.07.2010, Micheldorf) – The new RIKA woodburning stove TEMA truly is a real all-rounder. Either with simple steel casing or classy soapstone side panel available.

On the new RIKA website www.rika.at the TEMA stove welcomes you right on the home page with a blazing fire.

Wonderfully warm, straight from the start.

The first step towards a better comfort in life.

RIKA, the leading Austrian stove producer presents the new TEMA stove in keeping with these slogans. Youthful elegance at an affordable price make it a true value for money.

Step into an atmosphere of warmth and well-being.
